Conducting Lawful Investigations in the New Workplace

The need to maintain proper complaint response procedures and conduct lawful workplace investigations remains a critical piece of an employer's compliance obligations. The shift to virtual video conferencing provides an opportunity for many employers to expand an investigator's efficiency, but also poses challenges regarding effective interviewing and information-gathering techniques. This investigations session will address strategic responses to these developments in our workplaces. The panelists will discuss how to implement effective investigative techniques for the emerging paradigm while maintaining a foundation for solid internal workplace investigations that achieve compliance and improve organizational culture.
