

# ComplianceHR's Award-Winning Navigator Suite

ComplianceHR offers the only on-demand suite of intelligent compliance applications focused on helping companies address the ever-changing federal and state employment law requirements on minimum wage, overtime, independent contracting, FMLA/leave and more.

## Meet the Suite

Employers face an ever-changing and complex legal environment. More than ever, it's essential to stay compliant with the increasingly complex state and federal employment regulations. With CHR's Navigator Suite, you can rely on cost-effective, expert guidance that's easy to navigate and delivered in minutes.

**Navigator IC**  
Remove risk in determining IC status.

**Navigator Overtime**  
Determine if an employee is exempt or non-exempt.

**Navigator Onboarding**  
Assemble and produce legally compliant onboarding documents.

**Navigator Leave**  
Generate compliant forms and access leave laws and requirements.

**Navigator Pay Practices**  
Tackle all your pay related tasks with ease and efficiency.

**PolicySmart™**  
Create and maintain a legally compliant handbook.

**COVID-19 Resource Center**  
Answer COVID-19 employment-related questions and access comprehensive survey resources.

**ComplianceHR SmartScreen™**  
Easily screen employees for COVID-19-related symptoms and risk factors before physically returning to the workplace.
