Overview

Dr. Lukas Heber advises in the areas of law separation processes, works constitution law, and labor law compliance.

In his everyday consulting activities, Lukas benefits from his balanced nature and excellent self-organization. Additionally, he is characterized by his flexibility, endurance, and tireless ambition – qualities that are not only essential for his work but also advantageous when he's waiting for the perfect wave while surfing.

Lukas completed his legal traineeship at the Higher Regional Court of Celle, with placements including the Human Resources Department of RTL Deutschland GmbH, at vangard | Littler, and the Authority for Labor, Health, Social Affairs, Family, and Integration in Hamburg. He studied Law at the University of Göttingen with a focus on Labour Law, and at the National University of Ireland in Galway, Ireland.
