Overview

Krzysztof Gąsior has more than a decade of experience advising on labor and employment law matters. He advises local and international clients in individual matters, as well as in implementation of comprehensive restructuring and innovative projects. Krzysztof has many years of experience advising clients from the business services sector (SSC, BPO) with particular consideration of reconciling the characteristics of their business activity with the local legal environment.

Krzysztof has written numerous press publications and is a frequent guest of business and HR focused television shows. He conducts trainings and workshops in the field of the HR law and social security.
