## Overview

Paweł Sych is head of the firm's Data Protection Team in Poland. He has been associated with labor law since his studies, where he defended thesis at the Department of Labor Law and Social Policy under the guidance of Prof. Dr. Hab. Krzysztof Wojciech Baran. He focuses in the field of personal data protection, collective redundancies, equal treatment in employment and relations with trade unions. In addition, he is engaged with dispute resolution, both amicably and in court. He has been a speaker at national conferences regarding personal data protection and labor law.
