It is the policy of the City and County of San Francisco to enhance public health and safety by reducing recidivism and its associated criminal justice costs and societal costs, and facilitating the successful reintegration into society of persons with arrest and conviction records. This Article is enacted for the purpose of furthering this policy.
SEC. 4902. FINDINGS.

After public hearings and consideration of testimony and documentary evidence, the Board of Supervisors finds and declares that the health, safety, and well-being of San Francisco’s communities depend on increasing access to employment and housing opportunities for people with arrest or conviction records in order for them to effectively reintegrate into the community and provide for their families and themselves. Barriers to these opportunities for people with arrest or conviction records increase recidivism and thereby jeopardize the safety of the public, disrupt the financial and overall stability of affected families and of our communities, and impede the City’s achieving its maximum potential of economic growth. Further, establishing procedures for the lawful use of criminal history information in employment and housing decisions can assist employers and housing providers by preventing the automatic exclusion of individuals who may be qualified, and in some cases well-qualified, employees or tenants.

In San Francisco, as across the country, individuals are often plagued by old or minor arrest or conviction records that discourage them from applying for jobs or housing because a “box” on the application requires disclosure of criminal history information that likely will automatically exclude them from consideration. Precise statistics in this area are difficult to come by, but by any measure the problem is major, affecting a large number of individuals and families. By one measure, some sixty-five million Americans have a criminal record that may show up on a routine background check report. In California, it has been estimated that almost one in four adults have arrest or conviction records. Many thousands of people in our local community are directly impacted by barriers to reintegration based on these records.

In today’s digital age, there has been widespread proliferation in the use of criminal background checks, with hundreds of companies offering over the internet low-cost criminal background checks. Surveys have shown that as many as ninety percent of employers and eighty percent of private housing providers conduct background checks. And the information that such
background checks may yield can have a devastating impact on the employment and housing opportunities of persons with a criminal history, with damaging spillover effects on families and communities. One study found that two-thirds of employers surveyed in five major U.S. cities would not knowingly hire a person with a criminal record, regardless of the offense. Another study found that a criminal record reduces the likelihood of a job callback or offer by nearly fifty percent. Among those seeking assistance from the San Francisco Public Defender’s Clean Slate program, a pool of individuals with a criminal record, only about one-third are employed, and the majority of those employed earn an annual income of $3,000 or less.

The problems presented by employers and housing providers who use a person’s criminal history to deny that person employment or housing opportunities are growing rather than diminishing. In response to this challenge, more than fifty cities and counties in the United States have adopted policies that to one degree or another regulate the inquiry into an individual’s criminal history, at least as to individuals employed by those localities. Eleven of those localities apply their policies to those who contract with them. The cities of Philadelphia, Newark, Seattle, and Buffalo have applied their policies to all private employers within their boundaries. At the state level, ten states have adopted policies to address this challenge and four states—Hawaii, Massachusetts, Minnesota and Rhode Island—have applied their policies to private employers. The economic rationale often cited for these reforms is to maximize the pool of talented, qualified workers for employers and to fully utilize the productive capacity of people with prior arrests or convictions, for the improvement of the economy.

Regulating inquiries into an individual’s criminal history is gaining traction as one facet of the nationwide effort to reduce the recidivism that leads to serial incarceration. A major rationale for this movement is the growing awareness that incarceration has devastating socioeconomic consequences. Researchers have found that more incarceration has the perverse effect of increasing the crime rate in some communities. Children suffer academically and socially, and have decreased economic mobility, after the incarceration of a parent. Incarceration is also linked to homelessness, impacting public
health and safety. Twenty-six percent of homeless people surveyed in San Francisco had been
incarcerated within the previous twelve months, and an estimated thirty to fifty percent of parolees in
San Francisco are homeless.

On October 1, 2011, San Francisco and the rest of California implemented AB 109, a
“Realignment” of California’s criminal justice system, which seeks to produce budgetary savings by
reducing recidivism and promoting rehabilitation. As stated by Governor Edmund G. Brown, Jr. in
signing AB 109, cycling people through the revolving door of “state prisons wastes money, aggravates
crowded conditions, thwarts rehabilitation, and impedes local law enforcement supervision.” Added by
AB 109, Section 3451 of the California Penal Code states that counties must focus on alternatives to
incarceration that have a proven track record of reducing recidivism. Moreover, Section 17.5 of the
Penal Code states that criminal justice policies that rely on building and operating more prisons to
address community safety concerns are not sustainable, and will not result in improved public safety.
Removing unnecessary obstacles to employment and housing that impede reintegration and
rehabilitation supports the goals for “Realignment.”

Lack of employment and housing are significant causes of recidivism; people who are employed
and have stable housing are significantly less likely to be re-arrested. For example, one study of 1,600
individuals recently released from prison in Illinois found that only eight percent of those who were
employed for a year committed another crime, compared to the state’s average recidivism rate of fifty-
four percent. In another study, researchers found that from 1992 to 1997, the slightly more than forty
percent of the decline in the overall property crime rate could be attributed to the thirty-three percent
decline in the unemployment rate during the same period. Still another study in New York reported
that a person without stable housing was seven times more likely to re-offend after returning from
prison. There is little doubt that a policy designed to improve the employment and housing prospects of
persons with arrest or conviction history will enhance their prospects for becoming productive
members of the community, and thereby benefiting all of us.
Policies that encourage reintegration and reduce recidivism can also help reduce criminal justice costs. The Legislative Analyst Office estimated that in 2005-2006, counties in California spent on average about $28,000 per year to incarcerate an adult in jail and about $1,250 per year to supervise an adult on probation in the community. One study estimated that in terms of court, prosecution, and law enforcement costs, the County spends an average of $16,379 to process a person who has committed a drug offense through the criminal justice system. When a person successfully reintegrates and does not return to the criminal justice system, these costs are avoided, allowing scarce public dollars to be reinvested in programs that make our communities stronger and safer.

Not only is it a matter of public safety to ensure that workers have job and housing opportunities, but it is also critical for a stable economy. Economists at the Center for Economic and Policy Research used Bureau of Justice Statistics data to estimate that in 2008, the United States had between 12 and 14 million formerly incarcerated people and people with felonies of working age. Citing this population’s greatly reduced job prospects, the researchers estimated that the total male employment that year was reduced by 1.5 to 1.7 percentage points and that the cost to the U.S. economy was between $57 and $65 billion in lost output.

The expansion of the criminal justice system and all of its attendant consequences described herein, coupled with the growth of the for-profit criminal background check industry, has created a need for local regulations on the use of arrest and conviction records. On March 29, 2011, the Reentry Council of the City & County of San Francisco, chaired by the Chief Adult Probation Officer, and comprised of that official and the District Attorney, Mayor, Public Defender, and Sheriff, urged the enactment of an ordinance to reduce unnecessary barriers to housing and employment for individuals based on arrest or conviction records. This Article is an important part of implementing that general recommendation.

But there are some senses in which this Article is of limited scope. This Article does not intend, and shall not be construed, to require an employer to give preference to anyone or to hire an
unqualified person with an arrest or conviction record. Nor does it require a housing provider to give
preference to anyone or to rent to an unqualified tenant with an arrest or conviction record. Moreover,
this Article shall not be construed to limit an employer or a housing provider’s ability to choose the
most qualified and appropriate candidate from applicants for employment or housing.

SEC. 4903. DEFINITIONS.

For the purposes of this Article, the following words and phrases shall mean and include:

“Adverse Action” in the context of employment shall mean to fail or refuse to hire, to discharge,
or to not promote any individual; or to limit, segregate or classify employees in any way which would
deprive or tend to deprive any individual of employment opportunities, or otherwise adversely affect

substantial part in the City. “Adverse Action” in the context of housing shall mean to evict from, fail or
refuse to rent or lease real property to an individual, or fail or refuse to continue to rent or lease real

the City, connected in whole or in part to restricting rents, the funding being provided either
directly or through financing resulting from the City’s issuance of tax exempt bonds indirectly

Affordable Housing also includes “affordable units” in the City as that term is defined in Article 4 of
the Planning Code. Projects that are financed using City-issued tax exempt bonds but that
receive no other funding from the City or are not otherwise restricted by the City shall not
constitute Affordable Housing.

“Arrest” shall mean a record from any jurisdiction that does not result in a conviction and

in the employment position. “Directly-Related Conviction” in the housing context shall mean that the
conduct for which a person was convicted or that is the subject of an Unresolved Arrest has a direct
and specific negative bearing on the safety of persons or property, given the nature of the housing. In
determining whether the conviction or Unresolved Arrest is directly related to the housing, the Housing
Provider shall consider whether the housing offers the opportunity for the same or a similar offense to
occur and whether circumstances leading to the conduct for which the person was convicted will recur
in the housing, and whether supportive services that might reduce the likelihood of a recurrence of such
conduct are available on-site. Those matters identified in Sections 4904(a) and/or Sections 49076(a)

SEC. 4909. IMPLEMENTATION AND ENFORCEMENT OF EMPLOYMENT PROVISIONS

(a) Administrative Enforcement.

(1) With regard to the employment provisions of this Article, the OLSE is authorized to take appropriate steps to enforce this Article and coordinate enforcement, including the investigation of any possible violations of this Article. Where the OLSE has reason to believe that a violation has occurred, it may order any appropriate temporary or interim relief to mitigate the violation or maintain the status quo pending completion of a full investigation or hearing. The OLSE’s finding of a violation may not be based on the validity of the Employer’s bona fide business reason for taking an Adverse Action against an applicant or employee based on his or her Conviction History. Instead, the Agency’s review shall be limited to an Employer’s adherence to procedural, posting and documentation requirements set forth in this Article. The OLSE shall not find a violation based on an Employer’s decision that an applicant or employee’s Conviction History is Directly Related, but otherwise may find a violation of this Article, including if the Employer failed to conduct the individualized assessment as required under Section 4904(f).

(2) Where the OLSE determines that a violation has occurred, it may issue a determination and order any appropriate relief, provided, however, that for a first violation, or for any violation
during the first twelve months following the operative date of this Article, the OLSE must issue
warnings and notices to correct, and offer the Employer technical assistance on how to comply with the
requirements of this Article. For a second violation, the OLSE may impose an administrative penalty
of no more than $50.00 that the Employer must pay to the City for each employee or applicant as to
whom the violation occurred or continued. Thereafter, for subsequent violations, the penalty may
increase to no more than $100, payable to the City for each employee or applicant whose rights were,
or continue to be, violated. Such funds shall be allocated to the OLSE and used to offset the costs of
implementing and enforcing this Article.

(3) If multiple employees or applicants are impacted by the same procedural violation at the
same time (e.g. all applicants for a certain job opening are asked for their Conviction History on the
initial application), the violation shall be treated as a single violation rather than multiple violations.

(4) Where prompt compliance is not forthcoming, the OLSE may refer the action to the City
Attorney to consider initiating a civil action pursuant to Subsection (b).

(5) An employee, applicant or other person may report to the OLSE any suspected violation
of this Article within 60 days of the date the suspected violation occurred. The OLSE shall encourage
reporting pursuant to this subsection by keeping confidential, to the maximum extent permitted by
applicable laws, the name and other identifying information of the employee, applicant or person
reporting the violation; provided, however, that with the authorization of such person, the OLSE may
disclose his or her name and identifying information as necessary to enforce this Article or for other
appropriate purposes.

(6) The Director of the OLSE shall establish rules governing the administrative process for
determining and appealing violations of this Article. The Rules shall include procedures for:

(A) providing the Employer with notice that it may have violated this Article;

(B) providing the Employer with a right to respond to the notice;

(C) providing the Employer with notice of the OLSE’s determination of a violation;
(D) providing the Employer with an opportunity to appeal the OLSE’s determination to a hearing officer, who is appointed by the City Controller or his or her designee.

(7) If there is no appeal of the OLSE’s determination of a violation, that determination shall constitute a failure to exhaust administrative remedies, which shall serve as a complete defense to any petition or claim brought by the Employer against the City regarding the OLSE’s determination of a violation.

(8) If there is an appeal of the OLSE’s determination of a violation, the hearing before the hearing officer shall be conducted in a manner that satisfies the requirements of due process. In any such hearing, the OLSE’s determination of a violation shall be considered prima facie evidence of a violation, and the Employer shall have the burden of proving, by a preponderance of the evidence, that the OLSE’s determination of a violation is incorrect. The hearing officer’s decision of the appeal shall constitute the City’s final decision. The sole means of review of the City’s final decision, rendered by the hearing officer, shall be by filing in the San Francisco Superior Court a petition for writ of mandate under Section 1094.5 of the California Code of Civil Procedure. The OLSE shall notify the Employer of this right of review after issuance of the City’s final decision by the hearing officer.

(b) Civil Enforcement. The City may bring a civil action in a court of competent jurisdiction against the Employer or other person violating this Article, and, upon prevailing, shall be entitled to such legal or equitable relief as may be appropriate to remedy the violation including, but not limited to: reinstatement; back pay; the payment of benefits or pay unlawfully withheld; the payment of an additional sum as liquidated damages in the amount of $50.00 to each employee, applicant or other person whose rights under this Article were violated for each day such violation continued or was permitted to continue; appropriate injunctive relief; and, further shall be awarded reasonable attorney’s fees and costs.
(c) Interest. In any administrative or civil action brought under this Article, the OLSE or

court, as the case may be, shall award interest on all amounts due and unpaid at the rate of interest

specified in subdivision (b) of Section 3289 of the California Civil Code.

(d) Remedies Cumulative. The remedies, penalties, and procedures provided under this
Article are cumulative.

(e) Limitation on Actions. Civil Actions to enforce the employment provisions of this
Article must be filed within one year after the date of the violation. This limitations period shall not

commence until the date the violation was discovered or could reasonably have been
discovered.

(f) Tracking of Complaints. OLSE shall maintain a record of the number and

types of complaints it receives alleging violations of this Article, and the resolution of those

complaints. This information shall be compiled on an annual calendar year basis and

reported to the Board of Supervisors by January 31 of each year.

SEC. 49130. EMPLOYER RECORDS.

(a) An Employer shall retain records of employment, application forms, and other pertinent

data and records required under this Article, for a period of three years, and shall allow the OLSE

access to such records, with appropriate notice and at a mutually agreeable time, to monitor

compliance with the requirements of this Article.

(b) An Employer shall provide information to the OLSE, or the OLSE’s designee, on an

annual basis as may be required to verify the Employer’s compliance with this Article.

(c) In no event shall the OLSE require an Employer to provide any information or

documents the disclosure of which would violate state or federal law.

(d) Where an Employer does not maintain or retain adequate records documenting

compliance with this Article or does not allow the OLSE reasonable access to such records, it shall be

presumed that the Employer did not comply with this Article, absent clear and convincing evidence
otherwise. The Office of Treasurer and Tax Collector shall have the authority to provide any and all nonfinancial information to OLSE necessary to fulfill OLSE’s responsibilities as the enforcing agency under this Article. With regard to all such information provided by the Office of Treasurer and Tax Collector, OLSE shall be subject to the confidentiality provisions of Subsection (a) of Section 6.22-1 of the San Francisco Business and Tax Regulations Code.

(e) Pursuant to its rulemaking authority under this Article, the OLSE shall adopt rules that establish procedures for Employers to maintain and retain accurate records and to provide annual reporting of compliance to OLSE in a manner that does not require disclosure of any information that would violate State or Federal privacy laws.

SEC. 49121. IMPLEMENTATION AND ENFORCEMENT OF HOUSING PROVISIONS.

(a) Administrative Enforcement.

(1) With regard to the housing provisions of this Article, the HRC, in consultation with the Mayor’s Office of Housing and Community Development, is authorized to take appropriate steps to enforce this Article and coordinate enforcement, including the investigation of any possible violations of this Article. The HRC shall not find a violation based on a Housing Provider’s decision that an applicant’s Conviction History is Directly Related, but otherwise may find a violation of this Article, including if the Housing Provider failed to conduct the individualized assessment as required under Section 4906(f).

(2) Where the Director of HRC determines that a violation has occurred, he or she may issue a determination and order any appropriate relief, provided, however, that for a first violation, or for any violation during the first twelve months following the operative date of this Article, the Director must issue warnings and notices to correct, and offer the Housing Provider technical assistance on how to comply with the requirements of this Article. For a second violation, the Director may impose an administrative penalty of no more than $50.00 that the Housing Provider must pay for each applicant as to whom the violation occurred or continued. Thereafter, for subsequent violations,
the penalty may increase to no more than $100, payable to the City for each applicant whose rights were, or continue to be, violated. Such funds shall be allocated to the HRC and used to offset the costs of implementing and enforcing this Article.

(3) If multiple applicants are impacted by the same procedural violation at the same time (e.g. all applicants for a certain housing unit are asked for their Conviction History on the initial application), the violation shall be treated as a single violation rather than multiple violations.

(4) An applicant or other person may report to the HRC any suspected violation of this Article within 60 days of the date the suspected violation occurred. The HRC shall encourage reporting pursuant to this subsection by keeping confidential, to the maximum extent permitted by applicable laws, the name and other identifying information of the employee, applicant or person reporting the violation; provided, however, that with the authorization of such person, the HRC may disclose his or her name and identifying information as necessary to enforce this Article or for other appropriate purposes.

(5) The Director of the HRC, in consultation with the Mayor’s Office of Housing and Community Development, shall establish rules governing the administrative process for determining and appealing violations of this Article. The Rules shall include procedures for:

(A) providing the Housing Provider with notice that it may have violated this Article;
(B) providing the Housing Provider with a right to respond to the notice;
(C) providing the Housing Provider with notice of the Director’s determination of a violation;
(D) providing the Housing Provider with an opportunity to appeal the Director’s determination to the HRC.

(6) If there is no appeal of the Director’s determination of a violation, that determination shall constitute a failure to exhaust administrative remedies, which shall serve as a
complete defense to any petition or claim brought by the Housing Provider against the City regarding the Director’s determination of a violation.

(7) If there is an appeal of the Director’s determination of a violation, the City Controller or his or her designee shall appoint a person, other than a member of the Commission, to serve as a hearing officer. The hearing before the hearing officer shall be conducted in a manner that satisfies the requirements of due process. In any such hearing, the Director’s determination of a violation shall be considered prima facie evidence of a violation, and the Housing Provider shall have the burden of proving, by a preponderance of the evidence, that the Director’s determination of a violation is incorrect.

(8) If the hearing officer finds that the Housing Provider has engaged in conduct in violation of this Article, the hearing officer shall issue an order requiring the Housing Provider to cease and desist from the practice and to offer the housing accommodation to the applicant or applicants under the terms for which the unit was offered to the public. The Housing Provider shall not be required to offer the housing accommodation if the unit has already been rented or leased to a tenant, but the Housing Provider shall be required to offer a comparable unit, if available, to the applicant or applicants.

(9) The decision of the hearing officer shall be final unless the Commission vacates his or her decision on appeal.

(10) Either party may file an appeal of the hearing officer's decision with the Commission. Such an appeal to the Commission from the determination of the hearing officer must be made within 15 days of the mailing of the decision and findings of fact. The appeal shall be in writing and must state the grounds for appellant’s claim that there was either error or abuse of discretion on the part of the hearing officer. Each appeal shall be accompanied by a $15 filing fee; provided, however, the fee shall be waived for an individual who files an affidavit under penalty of perjury stating that he or she is an indigent person who does not have and cannot obtain the money to pay the filing fee.
without using money needed for the necessities of life. The filing of an appeal will not stay the effect of
the hearing officer's decision.

(11) Upon receipt of an appeal, the entire administrative record of the matter, including the appeal, shall be filed with the Commission.

(12) The Commission may in its discretion determine to hear an appeal. In deciding whether to hear an appeal, the Commission shall consider, among other things, fairness to the parties, hardship to either party and promotion of the policies and purposes of this Article. In determining whether to hear an appeal the Commission may also review material from the administrative record of the matter as it deems necessary. A vote of the majority of the Commission shall be required for an appeal to be heard.

(13) In those cases where the Commission is able to determine on the basis of the documents before it that the hearing officer has erred, the Commission may without determining whether to hear the appeal remand the case for further hearing in accordance with its instructions without conducting an appeal hearing. Both parties shall be notified as to the time of the re-hearing, which shall be conducted within 30 days of the remand by the Commission. In those cases where the Commission is able to determine on the basis of the documents before it that the hearing officer's findings contain numerical or clerical inaccuracies, or require clarification, the Commission may continue the hearing for purposes of referring the case back to said hearing officer in order to correct the findings.

(14) Appeals accepted by the Commission shall be heard within 45 days of the filing of an appeal. Within 30 days of the filing of an appeal, both parties shall be notified in writing as to whether the appeal has been accepted. If the appeal has been accepted, the notice shall state the time of the hearing and the nature of the hearing. Such notice must be mailed at least 10 days prior to the hearing.
At the appeal hearing, the parties shall have an opportunity to present oral and written argument in support of their positions. The Commission may in its discretion allow the parties to present additional evidence that was not considered by the hearing officer. After such hearing and after any further investigation which the Commission may deem necessary, the Commission may, upon hearing the appeal, affirm, reverse or modify the hearing officer's decision or may remand the case for further hearing in accordance with its findings. The Commission’s decision must be rendered within 45 days of the completion of the hearing and the parties must be notified of such decision.

In accordance with the above subsection, the Commission shall give the parties written notice of the decision. The notice shall state that the decision is final.

HRC shall maintain a record of the number and types of complaints it receives alleging violations of this Article, and the resolution of those complaints. This information shall be compiled on an annual calendar year basis and reported to the Board of Supervisors by January 31 of each year.

SEC. 49132. HOUSING PROVIDER RECORDS.

(b) A Housing Provider shall provide information to the HRC, or the HRC’s designee, on an annual basis as may be required to verify the Housing Provider's compliance with this Article.

(c) In no event shall the HRC require a Housing Provider to provide any information or documents the disclosure of which would violate state or federal law.

(d) Where a Housing Provider does not maintain or retain adequate records documenting compliance with this Article or does not allow the HRC reasonable access to such records, it shall be presumed that the Housing Provider did not comply with this Article, absent clear and convincing
evidence otherwise. The Office of Treasurer and Tax Collector shall have the authority to provide any
and all nonfinancial information to the HRC necessary to fulfill the HRC’s responsibilities as the
enforcing agency under this Article. With regard to all such information provided by the Office of
Treasurer and Tax Collector, the HRC shall be subject to the confidentiality provisions of Subsection
(a) of Section 6.22-1 of the San Francisco Business and Tax Regulations Code.

(e) Pursuant to its rulemaking authority under this Article, the HRC shall adopt rules that
establish procedures for Housing Providers to maintain and retain accurate records and to provide
annual reporting of compliance to the HRC in a manner that does not require disclosure of any
information that would violate State or Federal privacy laws.

SEC. 49143. RULEMAKING.

guidelines relating to provisions of general import or applicability only after consultation with the
Director of HRC and the Mayor’s Office of Housing and Community Development.

(d) A designee of the Director of HRC shall not have the authority under subsection (c) to
adopt regulations or guidelines. But, at the discretion of the Director of HRC, a designee shall have
the authority to conduct hearings leading to the adoption of regulations or guidelines, and to consult
with the Director of OLSE and the Mayor’s Office of Housing and Community Development
regarding regulations or guidelines relating to provisions of general import or applicability.

Development, shall establish a community-based outreach program to conduct education and
outreach to applicants and potential applicants for housing regarding rights and procedures under this

HRC, the need for education and outreach is greatest.

(c) In establishing outreach programs as required by subsections (a) and (b), the OLSE and

provisions of City law, from engaging the services of such organizations in establishing such
community-based outreach programs, participating in such programs, or developing materials for such
programs. Nothing in this Section 49134 shall preclude the OLSE or the HRC from combining the

state law or a government agency implementing federal or state law. These examples are

SEC 12T.6. IMPLEMENTATION AND ENFORCEMENT.

(a) The OLSE is authorized to take appropriate steps to enforce and coordinate enforcement of this Chapter, including the investigation of possible violations of this Chapter. The OLSE’s finding of a violation may not be based on the validity of the Contractor’s or Subcontractor’s bona fide business reason for taking an Adverse Action against an applicant or employee based on his or her Conviction History. Instead, the Agency’s review shall be limited to a Contractor’s or Subcontractor’s adherence to procedural, posting and documentation requirements set forth in this Chapter. The OLSE shall not find a violation based on an Employer’s a Contractor or Subcontractor’s decision that an applicant or employee’s Conviction History is Directly Related, but otherwise may find a violation of this Article, including if the Employer Contractor or Subcontractor failed to conduct the individualized assessment as required under Section
12T.4(f). If multiple employees or applicants are impacted by the same procedural violation at the same time (e.g. all applicants for a certain job opening are asked for their conviction history on the initial application), the violation shall be treated as a single violation rather than multiple violations.

(e) The Director of the OLSE shall establish rules governing the administrative process for determining and appealing violations of this Chapter. The Rules shall include procedures for:

(1) providing the Contractor or Subcontractor with notice that it may have violated this Chapter;

(3) providing the Contractor or Subcontractor with notice of the OLSE’s determination of a violation;

(4) providing the Contractor with an opportunity to appeal the OLSE’s determination to a hearing officer, who is appointed by the City Controller or his or her designee.

(f) If there is an appeal of the OLSE’s determination of a violation, the hearing before the hearing officer shall be conducted in a manner that satisfies the requirements of due process. In any such hearing, the OLSE’s determination of a violation shall be considered prima facie evidence of a violation, and the Contractor or Subcontractor shall have the burden of proving, by a preponderance of the evidence, that the OLSE’s determination of a violation is incorrect. The hearing officer’s decision of the appeal shall constitute the City’s final decision.

(g) For a second violation, the awarding authority may deduct from the amount payable to the Contractor or Subcontractor by the City under any Contract subject to this Chapter, or the OLSE may impose upon the Contractor or Subcontractor, a penalty of $50 per day or portion thereof and per employee, applicant or other person as to whom the violation occurred or continued. Such funds shall be allocated to the OLSE and used to offset the costs of implementing and enforcing this Chapter.

(h) In addition to any other penalties provided for the violation of this Chapter, the Contract or Subcontract Property Contract may be terminated or suspended, in whole or in part, by the awarding authority upon the basis of a finding as set forth in subsection (f) under this Section 12T.6 that the Contractor or Subcontractor has violated the provisions of this Chapter, and all moneys due or to become due hereunder may be forfeited to, and retained by, the City.

(i) A violation of the provisions of this Chapter during the performance of a Contract, or Subcontract Property Contract shall be deemed by the City to be a material breach of Contract and
the basis for determination by the awarding authority that the Contractor or Subcontractor is an
irresponsible bidder as to all future contracts for which such Contractor or Subcontractor may submit
bids. Such Contractor or Subcontractor shall not for a period of up to two years thereafter, be allowed
to act as a Contractor or Subcontractor under any Contract or Property Contract. **This subsection**
(i) shall be governed by the procedures set forth in Chapter 28.

(i) Nothing contained in this Chapter shall be construed in any manner so as to prevent the
City from pursuing any other remedies that may be available at law, equity or under any Contract or
Property Contract.

Housing and Community Development. A designee of the Director of OLSE shall not have the
authority to adopt regulations or guidelines under the foregoing first sentence of this
Section subsection (k); but at the discretion of the Director of OLSE, a designee of the Director of

(b) A Contractor or Subcontractor shall provide information to the OLSE, or the OLSE’s designee, such information on an annual basis as may be required to verify the Contractor or Subcontractor’s compliance with this Article.

(c) Where a Contractor or Subcontractor does not maintain or retain adequate records documenting compliance with this Chapter and does not allow OLSE reasonable access to such records, it shall be presumed that the Contractor or Subcontractor did not comply with this Article.

(d) The OLSE shall promulgate rules and regulations for the implementation of this Chapter.

SEC. 12T.8. CHAPTER APPLIES ONLY TO EMPLOYMENT PRACTICES OF CONTRACTORS AND SUBCONTRACTORS.

This Chapter shall not confer upon the City and County of San Francisco or any agency, board or commission thereof any power not otherwise provided by law to determine the legality of any existing collective bargaining agreement and shall have application only to employment practices by contractors or subcontractors engaged in the performance of City and County contracts or property contracts.

2. If the contracting department, board or commission certifies in writing to the OLSE OCA that pursuant to Administrative Code Sections 6.30 or 21.25 provisions the Contract or Property Contract is necessary to respond to an emergency which endangers the public health or safety and no entity which complies with the requirements of this Chapter capable of responding to the emergency is immediately available; provided that such certification must be made prior to the Controller's contract certification;

3. Where the City Attorney certifies in writing to the OLSE OCA that the contract involves specialized litigation requirements such that it would be in the best interests of the City to waive the requirements of this Chapter.

(b) This Chapter shall not apply where the prospective Contractor is a public entity and the OLSE Director of OCA finds that goods, services, construction services for a public work or improvement or interest in or right to use real property of comparable quality or accessibility as are available under the proposed Contract or Property Contract are not available from another source, or that the proposed Contract or Property Contract is necessary to serve a substantial public interest.
(c) This Chapter shall not apply where the contracting officer Director of OCA finds that the requirements of this Chapter 12T will violate or are inconsistent with the terms or conditions of a grant, subvention or agreement with a public agency or the instructions of an authorized representative of any such agency with respect to any such grant, subvention or agreement, provided that the contracting officer has made a good faith attempt to change the terms or conditions of any such grant, subvention or agreement to authorize application of this Chapter.

(2) Where the contracting officer determines that transactions entered into pursuant to bulk purchasing arrangements through federal, state or regional entities which actually reduce the City's purchasing costs would be in the best interests of the City; or

(3) Where the contracting officer determines that the requirements of this Chapter would result in the City's entering into a contract with an entity that was set up, or is being used, for the purpose of evading the intent of this Chapter, which is to prohibit the City from entering into contracts with entities that discriminate based on the criteria set forth in this Chapter.
The waiver authority granted to Contracting Officers in this Section 12T.8 shall be subject to the requirements that:

(iA) All proposed waivers must be submitted for approval to the OLSE and the Clerk of the Board of Supervisors, Director of OCA. All proposed waivers must set forth the reasons the Contracting Officer is requesting the waiver, what steps were taken to find an entity that complies with this Chapter, and why the waiver does not defeat the intent of this Chapter, which is to prohibit the City from entering into Contracts and Property Contracts with entities persons that do not comply with the requirements of this Chapter to follow certain procedures when inquiring about and using criminal history information in employment and hiring decisions.

(B2) The Director of OCA shall take action approving or denying a proposed waiver within 30 days of receiving a notification of the proposed waiver from a contracting officer. If after 30 days the Director of OCA has taken no action on the proposed waiver, the waiver shall be deemed approved. Such waivers shall be subject to the prior approval of the OLSE, who shall take action approving or denying a proposed waiver within 30 days of receiving a notification of a proposed waiver from a contracting officer. If after 30 days the OLSE has taken no action on the proposed waiver, the waiver shall be deemed approved. The Clerk of the Board of Supervisors shall list the notice of the proposed waiver at the rear of the next available Board agenda, and

The OLSE shall conduct quarterly comprehensive reviews of the use of the waiver authority by departments and shall make a report to the Board of Supervisors. Contracting officers who have exercised waiver authority under this Section 12T.9 in the previous quarter must appear before a Board of Supervisors committee and report on their use of such waiver authority. If the Board finds abuse of waiver authority by a department under this Section, either as a result of a report of the OLSE or upon its own initiative, the Board may by resolution transfer that waiver authority for that department to the OLSE, to be exercised by the OLSE upon recommendation of the contracting officer under any or all of the circumstances enumerated in this Section;

(5) Nothing in this Section 12T.9 shall limit the right of the Board of Supervisors to waive the provisions of this Chapter.

This Chapter 12T shall not apply to (i) the investment of trust moneys or agreements relating to the management of trust assets, (ii) City moneys invested in U.S. government securities or under pre-existing investment agreements, or (iii) the investment of City moneys where the Treasurer finds that:

(2) The City will incur a financial loss which in the opinion of the Treasurer would violate his or her fiduciary duties.

(ej) OCA shall maintain a record of all instances in which the requirements of this Chapter have not been applicable to a Contract or Property Contract because of an exception or a waiver as recognized under this Section 12T.8. This information shall be compiled on an annual calendar year basis and reported to the Board of Supervisors by January 31 of each year.

SEC. 12T.109. PREEMPTION.

The City recognizes that in some circumstances state or federal law governs some of the matters addressed in this Chapter. Nothing in this Chapter shall be interpreted or applied by a court or an agency of City government so as to create any requirement, power, or duty in conflict with federal or state law or with a requirement of any government agency, including any agency of City government, implementing federal or state law.
