Practice Areas

eDiscovery

Overview

Donald W. Myers practices exclusively in the area of electronic discovery. He works closely with clients and case teams to ensure that electronic discovery is handled in a defensible and cost-effective manner. Specifically, he works with Littler attorneys and their clients on issues such as:

- Preservation of evidence
- Strategies for data collection and review
- Computer forensic issues
- Negotiations with opposing counsel regarding electronic discovery

Don has handled cases in many jurisdictions nationally, and he frequently speaks on issues relating to electronic discovery. Previously, he served as a law clerk for the Hon. Lawrence P. Zatkoff, U.S. District Court, Eastern District of Michigan and as a staff attorney for the Michigan Court of Appeals.
