Practice Areas

International Employment Law
Business Restructuring and M&A

Overblik

Janne Bochmann advises clients primarily on works constitution and co-determination law, data protection, as well as compliance and termination law. She is distinguished by her structured and solution-oriented approach and maintains a clear overview even in complex situations. Her communicative and open-minded manner contributes to clear and efficient collaboration within the team and with clients.

Janne finds energy and balance through endurance sports – her perseverance and ability to focus on the essentials also serve her well in her professional life.

Following her traineeship in Kiel, Hamburg, and Berlin, Janne completed the Second State Examination at the Higher Regional Court of Schleswig-Holstein, with a specialization in employment law.

Uddannelse

First state examination, University of Kiel, , *with a focus on employment law*
