Overview

Lynn de Haan advises national and international clients in all issues of individual and collective employment law. She represents her clients both in and out of court. The focus of her work is on termination law as well as on collective employee representation issues with emphasis on:

- Industrial relations law
- Contract drafting and review
- Individual employment law
- Process guidance

Lynn studied law at the University of Berlin and the Universidad Adolfo Ibáñez in Santiago de Chile, and completed a legal traineeship at the chamber court district of Berlin.
