Overview

Maria Beatriz da Silva works in the field of labor and employment law, focusing primarily on ongoing employment advisory services and supporting clients on both domestic and cross-border employment matters.

Her practice includes advising clients on employment compliance, workforce management and the full lifecycle of the employment relationship. She regularly assists clients with the drafting and review of employment documentation and is involved in restructurings, reorganizations and workforce related projects, helping manage the employment implications of organizational change.

Maria Beatriz also advises on matters related to compensation and benefits, addressing these topics from an integrated labor and regulatory perspective.
