Overview

Olivia Kliem advises clients on labor and employment law matters. Thanks to her reliability and empathy, she develops practical and solution-oriented approaches. She takes the time to understand her clients' concerns and develops individual, well-founded strategies, even for complex or new legal issues. She pursues every mandate with perseverance and determination, with the aim of achieving the best possible result.

She previously was an associate with a Munich firm, and completed a legal traineeship at OLG Munich.
